### PATRICK - SPEED E-BIKE

Your urban mobility specialist in Rixensart! Patrick welcomes you to his bicycle workshop and will give you the best advice for both repairs and the purchase of a classic or new electric bicycle, there are even scooters! He has chosen to work with European brands in order to guarantee the choice of materials and the most local production possible.

Pl. Communale 14, 1332 Rixensart

\*Since 2013, Funds For Good, in collaboration with microStart, has introduced the loan of honour in Belgium. This interest-free loan is intended to financially support entrepreneurs without a permanent job and without access to bank credit. This assistance has proved very effective for these entrepreneurs in a precarious situation. Based on this experience and given the current crisis context, microStart has decided to generalise the use of the loan on credit with the support of Funds For Good and a number of other public and private actors. Between June 2020 and July 2021, any microcredit granted will be automatically linked to a loan of honour. This exceptional measure is intended to help entrepreneurs overcome this difficult period and thus contribute to the recovery of the economy. The entrepreneurs who are supported by this 'relaunch plan' are accounted for separately in the classic FFG IMPACT statistics, as the 'relaunch plan' is financed by a joint fund to which FUNDS FOR GOOD contributes together with other actors.
